“ Charlotte,
I'm so sorry and sad to learn of Albert's death. Sharing my college years at BSC with him will always remain among my most special memories. We laughed so much in later years about our shenanigans in Victorian poets class...poor Dr. Ownbey. Albert was so smart, gifted, and kind....just a wonderful and good man..and I will always love him. You are in my heart and in my prayers for comfort and peace. Rest in peace, dear Albert, and rise in glory!! Love from Jane.
