“ *I always remember having so much fun with my big sister. Playing cards, laughing at silly cards we'd see while out shopping and sharing memories. We took a trip down to get Hannah after she graduated and wanted to visit Alice as her present. I'm so glad Hannah got to know my sister and the rest of the family. We drove down to pick her up. That would be the last time I saw my sister alive. I'm glad she's at rest now with her Lord, Jesus. I miss her so much.*
