“ I have known Mrs. Bernice from as far back as I can remember. I joined Frazer church in 1953 and have known and loved her ever since. She and my mom were good friends and she and Edd, along with my mom and dad often went out to eat together. She attended their 50th wedding anniversary, and was in her pew at church every single Sunday morning and Sunday night. What a lovely example she was for everyone she knew. She was a wonderful lady and a wonderful friend.
