“ Allyson was on of my scrub tech students when she went through the Calhoun program. She was always smiling and such a good person. She was so sweet and willing to jump in and help wherever it was needed. It saddens me to read of her passing. I only knew her for a short while but I know she will be greatly missed. Prayers for her family.

“ *These sweet babies hold a special place in my heart because they were the very first class I taught at Richland Elementary School. Allyson was in my class that year, and I enjoyed getting to know her so much! She always had a smile on her face and was a pleasure to teach. I am so blessed to have been a small part of her journey. My prayers go out to all of her family, friends, and other loved ones.* □
