“ I have known Alyssa all of her life. I remember as a little girl at Mars Hill Church (before Richland Baptist was built) when Barry and Carol first started dating. She always had this giant smile from a toddler that would make you fall in love with her precious face. She was always happy and smiling every time I saw her out. When she was around 13-15, she would baby my children for 2-3 hours a day. They loved her especially Lane. He was only 2 years old at the time and he never cried when I left him and the girls. Alyssa’s loving smile and her sweet spirit she always had let him know that she would take care of him. She let them swim along with many other Jones kiddo’s everyday. I am so sorry for the loss. Many hugs and kisses. Dina Stafford
