“ *I am so sorry to hear about this, it was a total shock to me, i've known andy since kindergarten, i just can't believe this has happened, he was always fun to be around with and would always make you laugh with his goofy antics, he will surely be missed.*

“ *I've known Andy since he was a little boy and he would always aggravate me and Julie at her house. As he became a man he always would give me the biggest hugs and smile so big when he would see me. I think Andy impacted more lives than he ever thought he would by just loving people and putting a smile on their face and making them laugh! Thankful he gave his life to the Lord and I know he is up in heaven cheering us all on especially his children and family!..Smiling just thinking about him!..Very sad to say goodbye for now though.*
