“ We are so sorry to hear of Andy's passing. He was a good friend and would do anything to help you out. Andy and Lori were the first ones we met when we moved to Murfreesboro and we developed a special friendship. Andy and I would spend lots of time working on our yards and talking about what all we needed to do. I am glad he is no longer in pain and is resting with Jesus now. Rest in Peace my good friend your work on earth is done! We love you. Bennie, Ann and Brandon(Roo Roo).

So sorry to read the news of Andy's death. My condolences to Geneva and other family. I have been away from Prospect for more than 4 decades. Andy and I were friends in school at Prospect until the school closed in 1978. The words of Jesus bring us comfort today- "I am the resurrection and the life. Whoever believes In me, though he may die, he shall live." -John 11:25
