“ Still in shock! Harney Family you are all in my thoughts and prayers. Whenever me and Angie passed in the halls, elevator, lobby, break room we use to always take a few seconds to talk about Gods word. Its like a part of BMI is gone. She will be missed. May the Lord Bless and comfort you all during this time of loss.

You home now Angie, no longer in the far country, enter into your rest.

She knew everybody and everything that was going on and we will miss her spirit here in the office. Condolences to her friends and family.
