“ I am deeply saddened to hear of Barbara’s passing. She brought so much warmth and kindness into the lives of everyone who knew her, and I feel grateful to have shared a small piece of life with her.

Please know that I am holding your family close in my thoughts and prayers as you navigate this new path. I know Barbara did all she could to make that path less difficult for each of you, and her love will continue to guide you.

With deepest sympathy

“ We were childhood neighbors. I thought of her as a little sister. She told me years later that her mom told her to stick next to me because I would take care of her. I loved your mom like family.

“ Barbara and I went to school together. I’m so very sorry to hear she passed. We thought she had this beat. It’s been a joy to watch her love of her llamas and alpacas, and how much she loved her family, through FB and I’m thankful for that ability to see her after all these years, even if virtually. My heart goes out to her husband and children and those grandchildren she loves so so much.
