“ Mrs Barbara was a very beautiful person inside and out. She love the Lord and her family and friends. She is deeply love and will be missed by every one. The last get together we had was at her house. We had a ice cream party. We laugh and had a blessed day with her. and talk about good time we shared together. Bobby Escue and Mrs Barbara would joking about calling him meanie and he would call her meanie back and they would laugh at each other. We made a lot of memories and had a lot of fun .we are going to miss her. I know she is in Heaven. We will see her again. Sending love and prayers you and your family.

“ I first knew Barbara through her sister Carlene who was my friend, roommate, and maid of honor. Barbara babysat my little girl when we first moved to Nashville in the early 1970's.. Barbara was sweet, kind, and hilariously funny. She had the quick wit of her dad, Mr. Howard, whom I was also blessed to know. Sandra, I am so sorry for the loss of your mom. She was a lovely lady, and I was blessed to know her. I am also sorry about the loss of Patrick. I did not know he had passed away. God bless you and all your family.

“ Barbara was one of the finest Christians I've ever met. Always enjoyed being around her and especially if she was with June Hicks. Sorry for the lost but thankful that she is with her Savior and loved ones. I wonder if she & June are getting into any kind of mischief in heaven today, I'm sure they are laughing and rejoicing that they are together again. Sending prayers to the family. Hal & Myrtle

“ Even though many years have passed since I sat in Sister Pierce's Sunday School class and listened as she taught Bible stories using her felt board, I can still hear her voice telling us all that Jesus loved with a love bigger than the whole world. I believed her then, and I believe her still.

Sister Pierce used her words to teach the redemptive love of God to us as children, but it was her life that was the greatest witness and model for all who knew her. Even in times of loss or sorrow, her faith in God's will for her life was like a beacon shining through the darkness around her. The love she had for our Lord was so pure and complete that it brought a peace to my heart and bolstered my faith. I praise God that I was blessed to have Sister Pierce in my life.
