“ *As siblings, I remember Barry playing an entire baseball game by himself with a bat and gravel in our driveway. He was the play by play announcer, announcing each player, played for both teams, and was the umpire. He spent hours entertaining himself this way. My Dad used to remark that he was the reason he had to order gravel so often. Love this memory and love my brother. I'm proud of the Christian man he became.*

*I remember spending time with the family in the summer. We would play monopoly till we almost croaked! We would leave the board when it was time to go to bed, get up the next morning and pick up where we left off. Ole Barry, what a great guy! So happy we were from the same tribe!*

*I only got to be around Barry just a few times once my brother married Marsha, Barry's sister. I enjoyed being with him, he was easy to talk to and you just felt comfortable in his presence. I liked him a lot and always looked forward to another time down the road. He was deeply loved and appreciated by so many. He will be profoundly missed and I'm very proud to have met and known such a wonderful Christian man. Rest in peace dear Barry. Heaven is rejoicing that you have come home.*
