“ My memory of Ms. Beulah Scales Arney is that I will always cherish her as family. Her family(Helen, Eddie, Ronnie, Joe Ben, and Roy will always be link with my family especially my mother, Ms. Husie Mae Scales Sykes who grew up with Ms. Arney and her siblings in a little community called College Grove. They came to Giles County along with my mother back in the 40's and my mother was employed by them for over 50 years. Collectively, there was a great fondness between the families and over the years they shared many experiences that could fill up a collection of encyclopedias. Ms. Beulah loved to travel and assist people to the best of her abilities and she truly loved life. When her health began to fail, I was able to witness the love between her and one of her devoted sons, Ronnie Arney who was somewhat mentally challenged but had a heart of gold and they will forever be missed. Rip Ms. Arney and may God continue to watch over your remaining son and his family
