“ Beverly and Joey kids were the same age as our kids she was always Very involved in the school activities she always had a smile on her face. You can tell she enjoyed helping others. She was very involved with The Stella community Fish Fry and again she had that beautiful smile on her face always asking customers, friends and family members if you needed anything, if it wasn't available she would go out of her way to get it for you and yes with that beautiful Smile.

“ *There has never been a more beautiful, loving soul on this earth than Beverly. She was kind to everyone and would give anyone the shirt off her back, When I moved back, I spent hours at the water department with her and Sue, laughing until I cried. She had a heart of gold, but she would bleach your underwear if you made her mad. My prayers are with all the family.*

*Love,
Tammie D*
