“ I didnt know Bev personally, I am Joes cousin Carolyn, I read tho on Face book on one of her birthdays she wanted for her birthday a gift "for her family to attend church with her one Sunday" I saw a picture of her family with her in church . What a beautiful gift. seeing this shows great love for her. The last time I spoke with Joe he had been sick and he told me how well she had been taking care of him. “ Bev had the prettiest smile 😊 Loved to hear her talk!! Didn't see her very much, but she was always so sweet ❤️❤️❤️ Bev was our second cousin. I think she was close to Aunt Frankie, and my mama was close to Bev's sister, Betty❤️❤️❤️ Of course Pam worked with Bev at GE in Columbia and they got to see each other more. All of us loved Aunt Della's children🙏

“ First time I ever met her I was 15 years old and no idea how to cook (ANYTHING) it was thanksgiving and she gave me a recipe for oyster stuffing and told me not to mess it up. I was a nervous wreck but I made it. She was an amazing woman and will be greatly missed.
