“ Barry, Debbie, Farion and the entire Laxson family...it's been decades since I use to show up at the Laxson house in Richland Homes. Your mother was always smiling and always kind to me, even when I did not deserve that kindness. Time has erased some memories, but not the ones that matter. Your Dad was always kind to me as well. I can remember a boat trip to the river in AL and other days just being at your house playing or talking. I can also remember my brand new motor scooter raring up, dumping my brother off the back and scratching one side of it when it fell over with me right in front of your house.

*As hard as it is when you lose someone you loved so deeply, your mother/grandmother is at peace now. She has run her race. May you be consoled by the wonderful memories, memories that God knew we would need when we lose someone that we loved so much. Some of those memories will make you smile, some will make you cry and some will just make you laugh!*

*I wanted to send my sincere sympathy to each of you and your families. It is extremely difficult to lose a parent or grandparent. May God wrap each of you in warm, thick blankets of comfort, compassion and peace.*
