“ *So sad to hear this. I will miss talking with him when he would come by the office. We would always cut up and I would be laughing when he left. The rest of my day would be better because of his visit*

“ *I've lived next door to Mr. Holbert for nearly 15 years. It's just not going to be the same looking outside on a weekend and not see Mr. Holbert mowing his lawn or cooking on his grill for his family. My heart goes out to his wife and loved ones. -Jeremy C.*
