“ For our Caron and all of us who love her...💜
What a life she has experienced! Her winding path filled with joys and tears has enriched many and challenged most of us who will always love and miss her humor, honesty and heart for her family and friends.... Due to our mischievous personalities, Caron and I were ever looking for ways to “pick at each other” and laugh about who got one up on the other 😏... and on Sherry too.... But for Caron her great love for her little sister was unwavering and ever visible in her words and actions.... And Sherry reciprocated that to her big sister as well... how beautiful a gift their love for each other continues to be ... and from my view, to experience first hand as one of the “Vintage Babes”. God blesses each of us with people in our lives to enjoy and celebrate... when we say yes to His gifts...Sherry and Caron are two of God’s treasures to me..💜🙏💜
Love always,
Paulette 🦋
