“ We are so thankful for everyone's prayers and support. Daddy was a wonderful man and great father, the most loving and caring papa to his grandchildren. He was a wild card growing up but found and knew God. Lived by his bible but also knew no one is perfect and that we all make mistakes. He never gave up and never quit trying or hung his head. He may have bounced from one project to the next but I truly never saw him come across anything he could not figure out. We miss you so so much daddy, love you with all our hearts and souls, we will never quit talking about you or let the grandkids or anyone else forget about you. Love you daddy, a man I thought was invincible, a man I thought would never die, the world will never be the same.
