“ As I told Marsha on FB yesterday, Cherry is/was one of kind. She was funny and caring. I loved to hear her speak in her southern drawl. She was just a sweet and kind as her mother, Mrs. McNeese. I was honored to know them both. Love and prayers to the whole family.

“ We have known Cherry Ann and Tommy for over twenty-nine years. We consider them as our family. My daughter and Lacy were best friends since kindergarten. Allison and Lacy went to Martin Methodist together as well. Cherry Ann was always there to take care of our girls. She was known by everyone at the college. She was always bringing the girls clothes, food, or whatever she thought they needed. She and Tommy were so helpful to them. Every time that I think of Cherry Ann, she brings a smile to my face. I loved her southern talk. She was a very kind, loving, and caring person to us. We love her and will always cherish the fond memories that we had with her. I hope that she finds my Mom up in Heaven because they will find so much to talk about. My thoughts and prayers are with Tommy, Marsha, Gary, Tammy, and all the grandkids. May we all celebrate Cherry Ann to her heavenly home. We love her.

“ One of my fondest memories of Cherry was at the Giles County Hope House Warehouse when she was trying to talk to a mexican girl who didnt understand a word of English and she kept telling her about where a store was in Columbia. The girl never understood her but Cherry got real loud and said C O L U M B I A! Thinking she would inderstand her the louder she spoke! Special sweet lady that loved everyone and everyone loved her. She will be greatly missed. Rest in peace sweet lady, the Lord has you now.
