“ *.. Such sad news,..... I worked at the Colonel Littleton shop and store for several years in downtown Lynnville, and Buck was always holding court on his bench in front of the store,... I always took time to go outside, bring him a cup of coffee and visit,... even when I got in trouble with the "bosses" for it,... !!! ... I thought a lot of old Buck, and now downtown Lynnville will never be the same without him,.... my sympathies,... Bud Balinger,...*
