“ I'm very sorry I hadn't wrote when this happened but my Aunt Alice and Uncle Bubba Gowan and my parents Richard n Patricia Holley were all around when we read this. I know it's hard on Crystal because I felt her pain just by being around her today. She didn't even have to tell me. God bless you n yours. Love, Ashley Holley

“ Butch will be missed more than he would ever have imagined. Special people like him have no idea how many lives they have touched nor realize the void they will leave. Heaven has gained one of the best.
Our prayers go out to all of his family , each one so dear to us.
May God rain down his love and strength upon you.
We grieve with you.

Butch always had an awesome smile, such a nice guy. Sorry to hear this sad news. My condolences to Larry and Harold. You were all great guys as was your Dad. Dad was one of the first people I met when I came to Pulaski, then Larry was one of my students at the Vo-Tech in my drafting class. Good student and all were good friends. Will miss Butch and that constant smile.
