“ *I reember when Cody was born. I babysat his sisters and brother while Sid and Cheryl worked.. when Cody was born he became one of my kids too. I really missed this family when they moved away from the Yell community in Marshall county. I'm sure Cody was small enough when they moved he didn't remember us. But this family became like kinfolks to us. My kids missed them too. May GOD comfort this family in their time of loss of their loved one. Prayers for strength to get through this trying time. GOD bless each of you.*
