Dal - one in a million - such a kind and gentle soul. No one loved their family more than he did; they were the world to him. We, and our then children, now parents, will be forever grateful for visits on Pigeon Roost Road during the 80's and 90's with Dal and all. The world needs a few more Dals. Our deepest sympathy.*

“Wow, what a wonderful man. He was such a big part of my childhood. I was never more proud than when I would walk into Otasco on a Saturday morning with my dad (Dorval) and get a punch in the arm and a big bear hug from Dal. He was one of a kind.

*He and Doc were there for us in my dads final days and I will never forget the love and support they showed to my family in those darkest of times.*

*God bless you all and know that Dal made a huge impact on my family.*

*Rest easy my dear friend Dal,*
