“ *For 10 years I worked with David's mama Nedra at what was known then as Martin College. She was secretary to the President, Dr. Bill Starnes, and I was secretary to the Vice President, Bill Rutherford, and Dean of Students and Financial Aid, Ann Neville. I enjoyed my friendship with, and working with Nedra so much. She was so much fun and a bright light in this world, with a smile that lit up the room! I often recall her wonderful laugh.*

Soon after we started working together, she had me over to her home for lunch for the first time, and that's when I first met David Jr. and his little brother Jonathan. David Jr. was a little boy, and he and Jonathan were always getting into something! They were two loud, rough and tumble little boys in the truest sense of the word, and their mama and daddy loved it!

I can't believe David's gone so young. And to be grown up, have grown kids, and grandkids!! Where have all the years gone??!!

I still miss David's mama Nedra and daddy David Sr. I mourn the loss of David Jr. and grieve for his family as well. David, go find your mama and daddy in Heaven, and tell them I said hello and I miss them. God bless his family.
