“ Dennis helped me put a radio in my first car.... I just happened to mention I had purchased a radio for my car and he volunteered to help me install it. It took half of his day off to complete because we had to cut a hole in the fender to install the antenna! Matt, Andrea and family-my thoughts and prayers go out to you during this difficult time.

“ *Dennis was my Mom's neighbor for many years. The last time I talked to him was the day we laid her to rest 11/13/20. He was so kind in asking me if there was anything he could do. That's just the way he was..so considerate. I am shocked and saddened by his unexpected death and I am praying for all of his family. He loved you all so very much! May God bless and comfort you. Love, Candice*
