“ Don was a Beautiful Soul. My Prayers and Love go to his Family. We were chemotherapy buddies. He always had a Smile. We talked about how he and his wife had many animals, their farm, his wife’s crocheting, and Best of all the Lord! I will miss seeing his smile and our talks while having therapy. I know where Don, is at. We talked about if not on earth, then in Heaven. I know he is at Peace. God, please ease the Hearts of Don’s Family and Friends!
