“ Vickie, Taren, and Caleb I was sorry to hear about Don this morning and know that You all will miss him. His voice will missed after 35 years on WKSR talking into a microphone, but there was 35 years behind the mic. Don was always ready to pull a gag on or setup one of us. I have been thinking all day about what is going on in HEAVEN. With Don, Bubba, Harold, Bob, and a bunch of other folk get together. Bill & Marjorie Wiseman
