“ Wes Ms Barbara, I'm so sorry to hear about this so late, wish I could have been there. He was a good ole man "popcorn Sutton" type, I bet he went out with one heck of a fight knowing him. Wes, me and him was sitting in that Saturn one night of his and he played a song and said he always wanted u to remember it. "That's my job" by Conway Twitty, love ya brother, I know it ain't easy but I'm here if u ever need me.

“ What fun we have had over the years. One of the funniest times I will never forget is making the volleyball court in the backyard. Many nights in the yard and the rock crusher... You are already missed. Love you
