“ *Early, your Waves family will miss you terribly, but we will be forever grateful for all of the hard work you so happily put in for us and the people that we serve. We will cherish the memories of the different names you had for everyone at work, the amazing relationship you had with the Recycling guys (Van loved being called the “company man” and Michael loved the friendly sports banter with his friend “Ear”!), and especially your kindness and willingness to help anyone at anytime. You will be remembered with love by all. To Early’s family: We are so sorry for your loss. Our hearts and prayers are with you during this especially difficult time. Please don’t hesitate to reach out to us if there is anything we can do for you all.*
