“ I wouldn't have had been able to afford a vehicle at age 16 if it weren't for Eddie's Nissan Pulsar he gave me. I remember pulling out of his driveway with that stick shift, that I had no idea how to drive, but quickly learned.

Trips to southern Mississippi each year are part of my childhood memories, so thank you for those times you explained the orange bath water, letting me drive your riding mower, and taking me to the mechanic shop you had there. Thank you for the memories!
