“ Edna was a friend and confidant. She made me laugh and think deep thoughts. I will be forever thankful for her friendship and caring. We had a lot of good times, from working on Monte Sano at the cat rescue event together, to helping animals at ACAH. We knew each other for over 20 years. In the last 5 years her health had begun to go downhill. I took her to and from a few of her medical treatments. She was always the brave soldier. I shall miss her.

“ How very sad. I met Edna when she joined the Morris County Sheriff's Office. She was a go getter. Rest in Peace along with all your family and pet.

“ Edna and I went to school together at Dover High in Dover NJ. We reconnected through FB a few years ago. I was in awe of f her love for animals and could see how big her heart was by the stories she shared. I know she is happy being reunited with all her loved ones, the human ones as well as her beloved animals. I will miss her posts. RIP my friend.
