“ Robin and Family,
I am very sorry to hear of Ed's passing. It meant a great deal to me that Ed called me recently and we enjoyed a good conversation. I won't forget all the good times we had working together on the HVAC team on the cockpit line (Saturn-Spring Hill). He will be missed but not forgotten! Rest in peace my friend and thank you for all the good memories and good times!
Sincerely,
Stan Muszynski

“ Ed -

Snowball fights, Tag (our dog) pulling us in the alley on our sleds, carp fishing in the Red Cedar River, painting cars, perch fishing at Higgins Lake, salmon fishing on Lake Michigan, jamming on the guitars, & don't forget THE DOGS. We were always brothers from way back. We will always remember your smile, which was the size of Texas & how big your heart was. You always had our backs. You will always be the kindest person we have ever known.
Love you & may peace be yours always.

Our thoughts go to all of the family.

“ I think Tish said it best “how do you say goodbye to someone you've known all your life”. George was a free spirit in every sense of the word; he lived life to its fullest and did the things most of us only dream of doing. Robin our thoughts and prayers are with you always.
