“ Edward and I were the best of friends while attending GCHS, graduating in 1961. We had many wild and crazy teenage times that I will never forget. Ed was also a friend that wouldn't let you down. I left Pulaski after graduation and only wish that I had known him later in life.

My deepest condolences to Sandra and the family.

“ I have a photograph in mind as I think of my uncle Edward. I am maybe 5 years old and my sister and I were on his lap, making funny faces to the camera . I'm pretty sure we just giggled our little heads off after the picture was taken. That is what I remember most about my uncle Edward. He always had a laugh and a smile for me, well for everyone. Uncle Edward was a man with a lot of heart. I will miss you my dear uncle and God willing we will meet again one day.

“ *To Edward's Children*

I was so sorry to hear about Edward death and even sorrier that I am unable to attend the funeral. Immediate family plans made my attendance impossible, but please tell your uncles, Jim and Johnny, and Aunt Janine that i will be thinking of them today and wishing i could be there with them. . You children probably don't remember me. The last time I saw you was at Charlotte's funeral in Nashville. I am you are first cousin once removed and my 5 children are your second cousins. so you see you have cousins in Johnson City, TN (me#, Connecticut #Andrei#, New York #Coleman#, Toronto #Ross and Sofia) and Nova Scotia (Mary). I'm sorry to say that I hadn't been close to Edward in many years--really not since childhood though i would see him on occasion in Pulaski having coffee at the old Blue-Bird Cafe. We maintained an affection for each other through those rare occasions and I have thought of him often throughout our adult years. During our childhood Edward was the youngest of the cousins until Janine came along. And I must admit we weren't always as considerate to him as we should have been. We sent Edward on errands we didn'tn want to do ourselves and he bore the burden with grace untll he caught on/ Later he developed a laid-back coolness that I came to admire, having never developed any sort of cool of my own. I know that you will miss him as I will miss our encounters over the years. Please give my regards to your mother, Sandra, and accept my sincere sorrow for your loss.
