“ *To Bobby and Faye,*

My sympathy to you on Elizabeth's death. You may not remember me from Nashville many years ago, but you were so kind and helpful to David and me when we moved to Nashville. You had just had a son and gave me maternity and baby clothes. That was a tremendous help to us and I will never forget it. David died nearly four years ago at the age of 68, but I still keep up with his family.

*Sincerely,
Ginny Norwood*

“ *Mrs. Norwood was a very dear, sweet person, & having had her for a teacher so many years ago brings back a lot of fond memories. I remember the Easter egg tree we made. She let us paint our eggs to hang on the tree & was so patient with us in doing so. Another memory I have is that spring my mother was in the hospital & I had told her about it. She had brought in the biggest, most beautiful bouquet of daffodils & buttercups that she had picked from her own yard. She gave me that bouquet to take to my mom that night, as we were going to the hospital to see her. That meant so much to me & my mom. She was a great example to all of those that knew her. I am so saddened to hear of her passing. My deepest sympathy & prayers are with the family during this time.*
