“ *Never been a more loving, caring, giving friend to so many. She constantly did for others. So many times that she drove people to Nashville for doctor appointments who couldn't drive themselves and would sit in a parking garage until they finished. Her excellent cooking skills were requested often for fund raisers and get togethers. She was a constant support system for her children and grandchildren, truly an angel here on earth and now in heaven. I MISS HER!!!* □□□□□
