“*Brother, You married your high school sweetheart, got two awesome girls, coached them to win so many championships I have lost count. You've been a great brother that gave me the best advice of my life and I still owe you for that. You will be missed but you will live in all of us that you touched in life. 50 years seems short to us all, but its been a life well lived and I know you wouldn't have changed a thing.*
I love you ,
Darren

“*I had the honor of meeting Eric while doing business with May Oil Co over the years and I'm going to say that you just don't come across people like Eric May often. Honestly, he was one of the nicest guys that I'd ever met, he never had a bad word to say about anybody or anything. It broke my heart when I heard about this. Prayers go out to his family and friends, I know he will be greatly missed, he was a awesome guy.*
