“ *I feel so blessed to have spent time with Great Aunt Evelyn . I will always picture her on the couch next to puddin. She was to Puddin what Ethel was to Lucille Ball and Ed McMann was to Johnny Carson.*

I remember her often times trying to conceal her laughter but her joy always shined through her eyes. What a wonderful little Sister she was to my Grandmother. When Puddin was in the hospital at the end of her days, Aunt Evelyn could not bare the thought of the possibility of her Sister passing away in the Middle of the night alone. This was so touching to me that I stayed the night with My Grandmother. The underlying blessing was really mine. I spent the night with Aunt Evelyn the night Puddin died. Aunt Evelyn fried us eggs for dinner and we chatted about her siblings and her Grandchildren. Many people called to check on her that night. The next morning i witnessed this little Women, still in her nightgown, dust under the furniture with her Swiffer broom. I could not believe how limber she was!! She could squat all the way down to the floor!! I laughed and told her "You should be on a Swiffer Commercial" I know this loss is so deep for you all . I am praying you find some comfort.

“ I have known Evelyn and her sister Puddin for at least 25 years! We have had many conversations on the phone. I currently live in Connecticut but she was a dear friend to me! I loved her alot! She taught me how to crack an egg and separate the clear from the yolk! She told he was ready to go but I hated to hear that! I hate that I didn't know she passed until today. I would have been there for her funeral. She was a sweet woman and I will miss her ! Love you and miss you !
