“ We were blessed to know Garland Powell. He served many years with the 18mo-3yr olds at church in the Nursery in Washington. Many babies felt his gentleness and kindness. He loves his family. He loves his Savior. He was really looking forward to passing on so he could see his family members on the other side. A huge thank you to his daughters who love him and saw to his needs in his last months. Thank you to Paula and Mark Eubank for building him a home and giving him a place to feel safe and peaceful. Garland is a great man. We are very privileged to know him.
