“ *Garry- how can it be? I have so many great childhood memories of you and growing up along side your kids. I remember riding in the back of your red Toyota truck with Erin to KOA to swim numerous times, playing ball in the yard, visiting you with Erin in Pulaski and Frankewing, your bug, all the visits at Sarge's, and so many other memories. I haven't seen you in over a decade but I will miss you nonetheless. God bless you and your family!!*
