“ Dear Kay, Shannon, Troy, Susan, Matthew & Kayla, I have thought of Jug so many times during this past year. I don't know anyone who knew him that didn't enjoy his easy smile and fun personality. Mama & Daddy loved him like a son and would spend hours talking and laughing with him about every topic under the sun. We are so grateful to have had him in our lives. May you find comfort in knowing he loved you with all of his heart.
