“ *My heartfelt sympathy is with Jackie and family. Gary and I went to school together for 12 years. When we were in high school he was my typing partner. We always had fun, he was a great friend though all those school years. He was one of my favorite people to be around. See you again one day, Renee Word Thornton*

“ There are really to many memories to chose from. We worked together for 26 years and we worked on lines 2,3,4&6. It seemed he always kept one eye on me and was ALWAYS there to help me with my short girl issues. He was a great co-worker and a better friend! He will truly be missed! I will forever cherish our memories and friendship!
