“ I am so sorry ... I just found out about Gary. I met Gary while working at Wal Mart. He was very quiet and didnt talk to hardly no one. One day at lunch I just sat down at his table and started talking to him.. Ill never forget it, typical Gary style he just looked at me like I was crazy!!..lol But we soon became friends. We started riding to work together. It was a long drive to work so we had some great conversations, usually about music or politics ... He hated my bubble gum music..lol So he introduced me to NIN...lol Once I left Wal Mart we stayed in touch off and on but drifted apart.. Knowing Gary changed me for the better.. My son Zack who also passed 2 yrs ago thought the world of Gary, so I hope they have met up for a jam session in the afterlife.

*So so sorry for the families loss my heart goes out to....*
