“ I worked with her at Frito-Lay on the cracker line. Glenda was always laughing and kept her co-workers laughing too. One memory I have of Glenda is her sharing how she cooked. I was working with Glenda filling in for someone that was out. She had made spaghetti and brought it to work for our lunch. Spaghetti was one thing I just couldn't master as a cook. What Glenda made was so good. She told me how she made hers. My family has enjoyed this meal for many years thanks to Glenda. We were talking about fresh vegetables from the garden. Glenda said when you don't have enough okra to fry mix it with squash green tomatoes and onion. I still fix this for my family. I have a lot of fond memories working with her at Frito-Lay. While we worked we talked about everything you can think of. Glenda was always ready to share her opinion and make us laugh. Factory work is hard but Glenda always made things better just being around her. I am so sorry for your families lose. Glenda was always good to me and she a great co-worker.

So sorry to hear of the loss of this dear sweet lady. I have known Glenda for many years and worked with her at Frito-Lay and she was so much fun. We laughed and cut up at work and when Tara my daughter was small we lived close to she and Dent and she was always making cookies for Tara and she loved her. She was such a dear heart to our friend Miss Beulah Lee and before she got too sick she and Peggy were always bringing food to Beulah. Beulah was homebound and this made Beulah's day for Glenda and Peggy to come and visit. Beulah worked at Frito-Lay and we could all tell some funny stories about our work times there. Glenda will be sadly missed. My thoughts and prayers goes out to all her family. May God bless and be with you all this time and all the difficult days ahead.
