“ Gloria was a wonderful friend of mine from back home in Rhode Island. Recently a few months ago we reconnected when I found her on the Internet after another friend had sent me this black and white photo below and we had some wonderful phone conversations once I located Gloria and we did some texting. We met so many years ago when we both worked at the same place. We became good close friends and she was my Maid of Honor when I first married when I was much younger. We had lost touch for many years until we recently connected back up as fate would have it.

I am SO going to miss our phone conversations so very much And wish we had more time but I'm so thankful for the time that we did have. ❤️

Pat and Joe, you'll never know how so so sorry I am. I just wished I could have seen her again after all these years...I loved Gloria so very much.
