“ I was honored to train with Grant at the High Plains Summit in Dallas several years ago. His delightful demeanor, quick smile and fantastic wit endeared him to me and many others in the High Plains division of ACS. Thx for sharing Grant with us, and know he is always in our hearts, never to be forgotten.

“ Grant and I were colleagues at Vanderbilt University and we each earned a Master's Degree in Higher Education Administration in 1998. What a great guy he was. Our classmates were very fond of Grant. He was a dedicated family man and spoke of his family often. As a follower of Christ, we are assured that Grant continues in Heaven to enjoy being a worker for our Lord.
