“ *Gwen was such a beautiful loving friend. She was the kind of friend that you never remember when you became friends, but more like friends all your life...in the spirit. We had great talks at the Rec Center and prayed together many times. I send love and comfort to the family and rejoice that we will meet again, where there is no pain or tear. Bro. Ken, I just now found out about Gwen and am saddened that I did not respond to you sooner. Know that I hold you in my highest respect and am praying for you and your family.*
