“ I love and will miss you Uncle H.M. I won't ever forget the wonderful times we shared. You always made us feel special. Sneaking and giving us things momma said we couldn't have. Tell momma hello and give her a big kiss and hug for me. Family I know these are trying times for us, Let's embrace and be there for one another. Remember family is love, family is everything. I love you all with all my heart!
