“ *Howard was one of the most genuine and sweet person that I ever met. When I moved to Pulaski from England in 1963 he made me feel so at home. When he worked at South End Grocery he was so helpful. I had no idea what a lot of the food was. Of course there were jokes about this. Rest in Peace friend. Our love and Sympathy goes out to Betty and the rest of the family.*

“ *My memories of Howard are many and I will always cherish them. From his secret pet name for me to the little barn lunchbox and silo thermos he gave me when I was probably 4 or 5. He will always have a special place in my heart. My deepest sympathy to you, Betty and Randy and all of the family. Love you all.*
