“ Ms.Irisa was a very loving,caring and humble woman. Every time anyone was around her she would have you laughing so darn hard you couldn't breath. When it came to cooking she threw down baby,you can't tell her nothing. Demarcus you have my deepest sympathy and love,I will be praying for you and your family.

“ I was utterly saddened to hear about her passing and frankly still speechless. She was a truly special woman—fun, caring, and full of warmth. I'll always remember the way she welcomed me like family and how she lit up every room with her laughter. She taught me how to make baked beans, and every time I cook them, I think of her kindness and the love exuded. She loved her family deeply, and it showed in every little moment. Demarcus thank you for bringing me into the family. I feel lucky to have known her, and she will always hold a place in my heart. ❤️
