“ Rev. West was a true man of God. He showed kindness to everyone he met and he was always so giving with his time and talents. We met him 4 1/2 years ago when we first came to S. Pittsburg. He would stop in, call on us often just to see how we were doing and ask about every family in the church. Spending time with him and his family always included lots of laughs and feeling loved. He will be greatly missed by our family and we know one day we will see him again. What a day that will be!
